## INTERNATIONAL BRICADE SAID ORGANIZING IN WARSAW

Communist regimes in Eastern Europe have decided to form an international brigade to fight for Northern Korea. The command of the brigade would be located in Warsaw and headed by Wilhelm Zaisser, one of the commanders of the international brigedes which fought in Spain. He was then known under the pseudonym of Gomez.

Dziennik Polski reports from Poland that more and more men of military age are fleeing the country. Those who escaped tell that the fear of forced enlistment to fight in Korea has created a state of panic in Poland. This confirms previous Berlin reports that an international brigade to fight in Korea is being organized near Warsaw.
